To Whom It May Concern:

We would like to give our recommendation for Eric Fairlie and the magician Acetrife who performed at our wedding reception on August 25, 2007. We had approximately 90 people in attendance including children, and they were thoroughly enjoyed by all ages.

Our guests were extremely impressed and very entertained by them - making our event a resounding success. Our guests have been talking about the great time they had - much do in part to their performance. Thank you to Eric and Acetrife for your extraordinary efforts.
