Quicksilver Entertainment
Eric Fairlie

Dear Eric,

I wanted to send my sincere thanks to Quicksilver Entertainment for joining us at the "National" and "North American" Tournaments, and especially the Agruim Bluegrass Festival. They were fantastic weekends filled with good times, great music and, thankfully, good weather.

We at Spruce Meadows thoroughly enjoyed having you join us and have received a lot of positive feedback at both tournaments. Hopefully we will be able to grow the Bluegrass Festival into next summer and once again create another invigorating weekend of bluegrass music.

Once again I would like to thank you on behalf of Spruce Meadows for joining us for terrific "National" and "North American" Tournaments.

Kind regards,

Kelly McGuire
